## The Eddie Cochran Experience

All aboard the time machine – The Eddie Cochran Experience is ready to whisk you back to 1960 for a night of authentic toe-tapping, hip-swivelling, hand-clapping rock ‘n’ roll!

Join Lenny the Ted, the story teller of this extraordinary musical tale, as he takes you back to the very beginning – charting his career from lowly bus driver to rock ‘n’ roll road manager.

Follow Lenny and The Daddios’, a band of young British hopefuls, on their meteoric rise from a just-getting-by rock ‘n’ roll trio playing the pubs and clubs of West London to real movers and shakers of the late Fifties London music scene. Watch their progress as they climb the musical ladder – assisted by legends Gene Vincent and Eddie Cochran – to become The Ding Dong Daddios.

With a musical score that includes chart-topping favourites by Lonnie Donegan, Jerry Lee Lewis, Elvis Presley, Buddy Holly, Ray Charles, Gene Vincent, Chuck Berry, Carl Perkins and of course Eddie Cochran, The Eddie Cochran Experience delivers a night of live rock ‘n’ roll from Kludo White as Eddie Cochran, Andy Pelos as Gene Vincent, Pip Shaw, Pete Hughes, Dave Ephgrave, Pete Corbas, and featuring Special Guests, Angel and Caroline, “The Candy Sisters”.

So, don’t miss your chance to join Lenny, Eddie Cochran, Gene Vincent, The Ding Dong Daddios, and cast of rock ‘n’ roll legends for your very own Eddie Cochran Experience!

### **Praise for Kludo White as Eddie Cochran**

“Kludo White as Cochran opened with Summertime Blues and brought the house down. His guitar playing was fantastic and during Three Stars you could hear a pin drop.”

*The Belfast Telegraph*

“Kludo White has been touring the UK, Europe and USA with his highly acclaimed musical tribute to Rock 'n' Roll legend Eddie Cochran for two years. With his Band they recreate Cochran's hard driving pioneering sound with fierce energy and impeccable accuracy. This dynamic, exciting and hugely enjoyable show needs to be experienced first hand to be believed!”
